

Second Chance Pets – 2023 Annual Report

www.secondchancepets.org

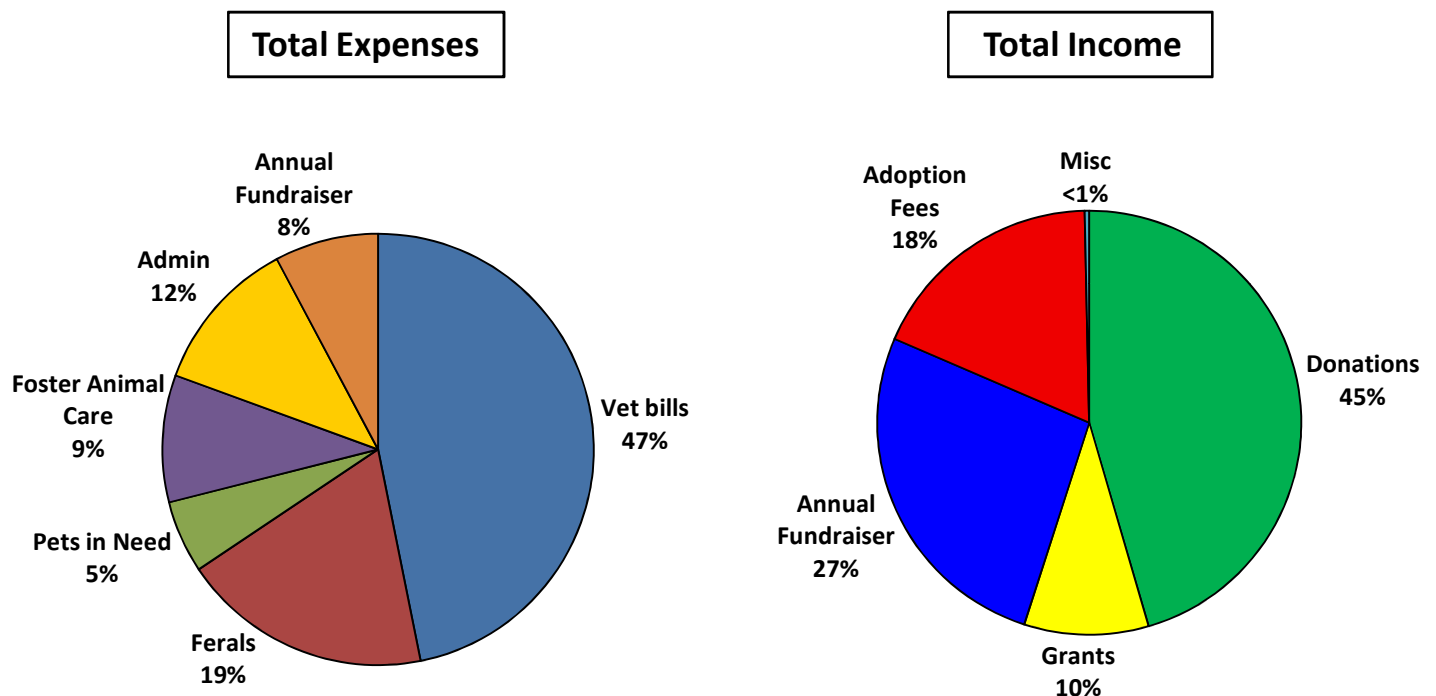

Our Mission: SCP is a foster care organization focused on animal advocacy through responsible rescue, rehabilitation and appropriate placement of cats and dogs.

Our Vision: Save more lives, reduce the number of local homeless animals, seek and support lifelong homes for our adopted animals, reduce over-population through spay and neuter, animal advocacy through education.

2023 Accomplishments:

- Found forever homes for 141 pets in our foster care program (86 cats and 55 dogs)
- Rescued multiple new animals with costly special medical needs (surgery, heartworm treatment, major dental)
- Sponsored sterilization surgery and rabies vaccination for 302 feral/community cats
- Covered \$3,477 in pet medical bills for pet owners in financial need (WOOFF/Compassion Fund)
- Provided \$2,500 in community program support and shelter pet medical care
